## 3. Recommendations sorted by Priority Report

The **Recommendations sorted by Priority Report** shows the ASPR/CDC priority recommendation for each Function sorted by priority recommendation, highest priority first.

Note that the priority recommendations are based on a formula combining the Function Current Status and Function Importance as self-reported by the jurisdiction in the CPG template. These recommendations are for planning purposes only, and there may be other factors which might impact the actual priority.

## **ADHS CPG (AZ)**

Recommendation Key:	Very High Priority	High Priority	Medium Priority	Low Priority	Sustain	No Recommendation
Build						
Capability		Function			<b>Function Importance</b>	Function Current Status
5. Fatality Management	!	5. Participate in fatality prod	cessing and storage operation	ons	5. Critical	2. Limited ability
5. Fatality Management		1. Determine role for public	health in fatality managem	ent	4. Highly important	2. Limited ability
5. Fatality Management		2. Activate public health fatality management operations		4. Highly important	2. Limited ability	
5. Fatality Management		3. Assist in the collection and dissemination of ante-mortem data		4. Highly important	2. Limited ability	
5. Fatality Management	•	4. Participate in survivor mental/behavioral health services		4. Highly important	2. Limited ability	
Build						
Capability		Function			Function Importance	<b>Function Current Status</b>
7. Mass Care	:	1. Determine public health ւ	role in mass care operations	5	5. Critical	3. Some ability
7. Mass Care	. Mass Care 2. Determine mass care needs of the impacted population		ion	5. Critical	3. Some ability	
9. Medical Materiel Management & Distribution		2. Acquire medical materiel			5. Critical	3. Some ability
10. Medical Surge		1. Assess the nature and scope of the incident			5. Critical	3. Some ability
13. Public Health Surveillan Investigation	ce & Epidemiologic	3. Recommend, monitor, an	d analyze mitigation action	S	5. Critical	3. Some ability
15. Volunteer Management		1. Coordinate volunteers			5. Critical	3. Some ability
7. Mass Care	•	4. Monitor mass care popul	ation health		4. Highly important	3. Some ability
8. Medical Countermeasure	Dispensing	5. Report adverse events			4. Highly important	3. Some ability
Build						
Capability		Function			<b>Function Importance</b>	<b>Function Current Status</b>
1. Community Preparednes	s :	2. Build community partner	ships to support health pre	paredness	5. Critical	4. Significant ability
3. Emergency Operations Co	oordination	1. Conduct preliminary assessment to determine need for public activation			5. Critical	4. Significant ability
3. Emergency Operations Coordination		3. Develop incident response strategy			5. Critical	4. Significant ability
3. Emergency Operations Coordination		4. Manage and sustain the public health response			5. Critical	4. Significant ability
4. Emergency Public Information and Warning 1. Activate the emergency public information system			5. Critical	4. Significant ability		
4. Emergency Public Information and Warning		3. Establish and participate in information system operations			5. Critical	4. Significant ability
4. Emergency Public Information and Warning		4. Establish avenues for public interaction and information exchange			5. Critical	4. Significant ability
4. Emergency Public Inform	ation and Warning	5. Issue public information,	alerts, warnings, and notific	cations	5. Critical	4. Significant ability
